

bio-ferm researches, develops, registers, and markets innovative biotechnological plant protection products in viticulture, pome fruit, berries and vegetables. Mode of action: Microorganisms isolated from nature and fermented in the laboratory act as antagonists and prevent specifically the infection by pathogens - no chemical residues, no resistances, non-GMO production and registered for IP and organic growing systems.

bio-ferm is part of [SAN Group](#).

To further secure our growth, we are looking for the right person to take on the position as

Head of Regulatory Affairs (m/f/d)

These are the tasks we trust in you:

- Ensure that microbial plant protection products, fertilizers and related agricultural inputs are placed on the market according to legal standard and requirements
- Define the regulatory affairs strategy together with the management team
- Prepare registration documents (reports, dossiers) for plant protection products and in working with regulatory authorities
- Lead a small team of people and further develop them to support our growth strategy

To grow in this position, it requires the following:

- Academic background in Agriculture, Microbiology or similar with at least 5 years of working experience in Regulatory Affairs and in working with regulatory authorities
- Experience and having pleasure in leading a team
- Structured and precise mode of operation
- Results oriented can-do attitude
- Good communication skills (in English and German), a further language would be a plus
- Seeing change as opportunity and not as a threat

We have a SANtastic culture, means for you:

- First name terms from trainee to owner
- No ties and open doors
- Small teams to root and grow
- High degrees of freedom to create the new
- Opportunity to grow professionally and personally
- Flexible work hours and home-office
- Benefits such as team events, state-of-the-art work environment and IT infrastructure, internal and external development programs

What else to know?

- You are rooted in Herzogenburg near St. Pölten (Austria)
- We appreciate your expertise for 38.5 hours/week, full time, permanent contract
- This position is available immediately however, we are happy to consider your notice period or your desired start date.
- Based on your professional experience and your qualification, we offer you an attractive total compensation package starting at € 60.000 gross annual base salary, plus attractive benefits.

Are you ready to root and grow at [bio-ferm](#) and [SAN Group](#)? We are looking forward to your application! Simply send your letter of motivation and CV to jobs@san-group.com.
