

FOR LEAFY GREENS

DURALEV™

ELEVATE YOUR CROPS' DEFENSES

DURALEV is a systemic resistance inducer that helps leafy greens activate their natural defense pathways, improving tolerance to bacterial and fungal stress. By strengthening the plant's own immune response, it supports healthier foliage and more consistent quality under disease-favorable conditions.

WHOLE PLANT PROTECTION

Systemic activity protects every inch and every fold.

PREVENTATIVE CONTROL

Builds up plant defenses before pathogens arrive.

RESIDUE-FREE

Protects yield and harvest quality.

► WHY IT MATTERS

Seamless tank-mix compatibility, residue-free sprays, low use rates, long-lasting disease protection.

► PROGRAM TYPE

Systemic and preventive disease management for a broad-spectrum of fungal and bacterial pathogens.

► PROGRAM FIT

Conventional and organic specialty crop production. Field and greenhouse applications.

► TARGET DISEASES

- Powdery Mildew
- Downy Mildew*
- Botrytis
- Alternaria
- Rhizoctonia

**Indicates CA approved*

► BEST TIMING

Early-season sprays before pathogens arrive to build up a strong defense; re-apply mid-season for additional defense boosts.

DURALEV™ FOR LEAFY GREENS

SYSTEMIC RESISTANCE
INDUCER (SRI)

DURALEV™

Primes your crops' natural defenses to
fight off future pathogen attacks.

ACTIVE INGREDIENT Cerevisane®, 94.1% (w/w)

FORMULATION Wettable Powder (WP)

RATE (LB/AC) 0.45 – 0.68 lbs/ac

SPRAY VOLUME 10–100+ GPA

**APPLICATION
FREQUENCY** 7-10 days (maximum
frequency, typically less
when used in a program)

RAINFASTNESS 2 hours; reapply if heavy
rain in 48 hours

COMPATIBILITY Compatible with nearly
all pesticides and fertilizers;
jar test recommended

REI 4 hours

PHI 0 days; residue-free

MRL None

CA REGISTRATION Yes; see label for
approved uses

**STORAGE
REQUIREMENTS** Shelf-stable; keep cool
and dry, avoid moisture

SHELF LIFE 2 years at room temp

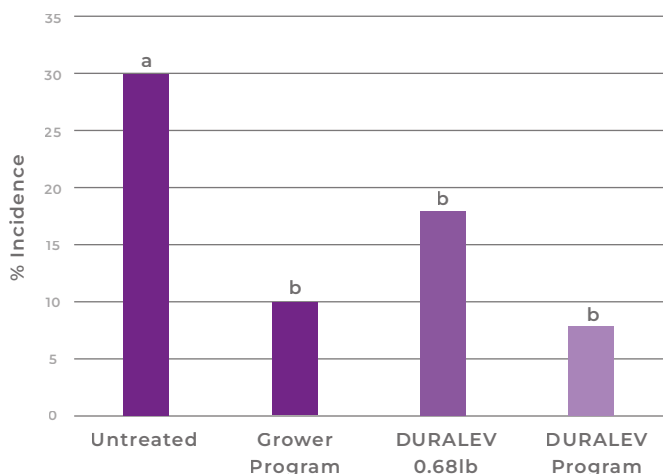

PACKAGING 2 lb. bottle

PROGRAM RESULTS

DURALEV (0.68lb) alone provided significant control compared to the untreated (40% control).

Using DURALEV early in a program provided similar disease protection compared to the grower standard. DURALEV Program replaced the first 2 weekly sprays with DURALEV 0.68lb (5 total sprays).
